

Technical gloves UVEX IMPACT 1

Seamless cut-resistant gloves that provide protection during extremely demanding tasks. Designed for work in particularly difficult conditions, with a velcro-fastened, knitted cuff and additional padding for hands. Pads on the top side of the gloves protect the knuckles from impact. Finger joint padding provides for extra protection. High cut resistance and optimum grip are additional advantages of the gloves.

Compliant with **EN 388**

Abrasion resistance - **4**

Cut resistance - **5**

Tear resistance - **4**

Puncture resistance - **3**
